Grants-in-aid to NGOs BY CAPART

1220. DR. ARUN KUMAR SARMA: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(b) the year-wise fund earmarked for grants-in-aid to the NGO, amount sanctioned and actual amount disbursed, State-wise, by the North-East Zonal Office of CAPART since 1996;

(b) the year-wise amount refunded, reasons for non-refund, non-utilization and very poor performance; and

(b) the list of expert persons in the State level sanctioning committees with direct experience of working with voluntary bodies and criteria followed?

THE MINISTER OF RURAL DEVELOPMENT (SHRI SUNDER LAL PATWA): (a) CAPART Headquarter does not earmark funds State-wise. Lump sum amounts are earmarked to the Regional Committees (RCs) out of which funds are sanctioned by the RCs to the Voluntary Organisations, year-wise and State-wise details of amount sanctioned and actual amounts disbursed by the Regional Committee since 1996-97 to 1999-2000 are given in the enclosed Statcment-I *(see* below).

(b) No amount has been refunded by the Regional Committee. As such, the question of reasons for non-refund or non-utilisation docs not arise. As against a sum of Rs. 5.20 crores released to the Regional Committee during 1996-97 to 1999-2000, a sum of Rs. 4.82 crores was utilised which is about 92.7% of the released amount. This indicates that there is no poor performance.

(c) A list of the Members of the Regional Committee is enclosed in the Statement-II *[see* below). The Regional Committee comprises of the representatives of voluntary organisations and the Secretaries of Rural Development Departments of State Governments. All these members deal with the voluntary organisations and rural development programmes and therefore they are considered experts in the field. The criteria for selection of the members in the Regional Committee, which is the sanctioning authority, are their direct experience of working with voluntary bodies in Rural Areas, as indicated above.
